Dear Dr. Connor:

We appreciated your letter of December 15, 1980.

It appears that I shall be the sole representative of The Council to the 1981 Deuel Conference. We postponed notifying you until the January 31 deadline in order to determine whether any other member of our staff or Scientific Advisory Board might be free to attend. This notification will relieve you of any uncertainty as to whether we might have forgotten the closing date.

Sincerely,

Robert C. Hockett, Ph.D.
